

Please use this form to order the ESP service plan for radios/pagers not equipped from the factory with the ESP option.

# EXPRESS SERVICE PLUS

## Order Form

These instructions apply to radios/pagers not ordered from the factory with the ESP option. Express Service Plus (ESP) is an optional extended service coverage plan providing for depot repair of the product(s) listed below for a period of one to four years, as per the ESP option selected, following the expiration of the radio's/pagers standard commercial warranty. The serial number of these products will be registered for coverage under Express Service Plus.

### To order ESP on radio/pagers not purchased from the factory with Express Service Plus:

1. Radio/Pager must be within its standard commercial warranty period.
2. Sales invoice listing model and serial numbers must be supplied on radios over 90 days old.
3. Refer to price pages for the applicable radio/pager models' ESP option and prices.
4. Complete this form and mail with check or money order to:

Motorola  
 Attn: Express Service Plus  
 1307 E. Algonquin Road  
 Schaumburg, IL 60196  
 1-800-247-2346

Subject to the terms and conditions of the Express Service Plus plan.
